Apple Poems

Red Apple
A little red apple
Hung high in a tree
I looked up at it
And it looked down at me
"Come down, please" I called
And what do you suppose---
That little red apple
Dropped right on my nose!

Five Red Apples
Five red apples in a grocery store
Bobby bought one & then there were 4
Four red apples on an apple tree
Susie ate one & then there were 3
Three red apples. What did Alice do?
Why she ate one & then there were 2
Two red apples ripening in the sun
Tommy ate one, & now there was one
One red apple & now we are done
I ate the last one & now there are none!

Five Little Apples Sitting On A Gate
Five little apples sitting on a gate.
The first one says, "Oh, my it's getting late.
The second one says, "Fall is in the air."
The third one says, "Don’t worry my dear."
The fourth one says, "Let’s run and run and run."
The fifth one says, "I’m ready for some fun."
Oooh, went the wind and out went the light and the five little apples rolled out of sight!

Apple Tree

Climbing up the apple tree, (climb in place)
Swinging on a limb! (Raise arms above head, sway left and right)
If I hear a robin, I may (cup hand near ear)
Sing along with him! (sing tra la la)
"And Robin, if you fly away, (Put hands over eyes)
Here’s what I think I’ll do: (Point with index finger)
I’ll wish a pair of sparrow wings (gently flap arms at side and move around)
And fly away with you!"

Ten Red Apples

Here I have five apples. (hold up five fingers on right hand)
And here are five again. (hold up both hands)
How many apples altogether?
Why, five and five makes ten.

**Eat an Apple**

Eat an apple; (Bring right hand to mouth)
Save the core. (Close right hand in fist)
Plant the seeds. (Bend down touch hand to ground)
And grow some more. (Extend both arms out)

**All Around The Apple Tree**

(sung to the tune of Mulberry Bush)

Here we go round the apple tree, the apple tree, the apple tree
Here we go around the apple tree
On a frosty morning.

This is the way we climb the ladder
- pick the apples
- wash the apples
- peel the apples
- cook the apples
- eat the apples
On a frosty morning!

**Here Is An Apple**

Here is an apple (make circle with thumb and pointer)
and here is an apple (make circle with other thumb and pointer)
and a great big apple I see (Make circle with arms)
Now let's count the apples we've made (repeat above actions)
1- 2 - 3 !
Ten Red Apples

Ten red apples grow on a tree (Both hands high)
Five for you and five for me (Dangle one hand & then the other)
Let us shake the tree just so (Shake body)
And ten red apples will fall below (Hands fall)
1,2,3,4,5,6,7,8,9,10 (Count each finger)

Worms In The Apple Tree

Look at all the worms in the apple tree,
Eating all the apples they do see,
CRUNCH, when they eat their lunch,
There will be no apples left for me.
Look at all the birdies, they do call,
Eating all the worms up, one and all,
SLURP, little birdies burp,
Guess there will be apples after all.

Apple Tree Rhyme

Way up high in an apple tree (hold arms over head)
2 little apple smiled at me (hold up 2 fingers to cheeks)
I shook that tree as hard as I could (pretend to shake tree)
Down came 2 apples. Mmmm, they were good! (rub stomach and smile)
Apple Poem
Apples big,
Apples small.
Guess what?
I like them all.

Tiny Apple Seed
(Tune: Insey Weensy Spider)
The tiny little apple seed
was planted in the ground,
down came the rain,
falling all around,
out came the sun,
as bright as bright can be,
and the tiny little appleseed
became an apple tree!

Use a flannelboard with this. Make a small brown seed, about 10 blue raindrops,
a big yellow sun and the tree with red apples on it.

Apples Are Falling
(Tune: Are You Sleeping?)
Apples are falling, apples are falling
From the tree, from the tree.
Pick up all the apples, pick up all the apples,
One. two, three; one, two, three.
Two Little Apples

Two little apples hanging on a tree
Two little apples smiling at me
I shook that tree as hard as I could
Down came the apples
Mmmm were they good!

Apple Surprise

Way up high in the apple tree,
A little brown worm smiled at me.
I winked my eye,
And what do you suppose?
A shiny, red apple dropped on my nose!

Five Red Apples

Five red apples hanging in a tree (Hold up five fingers)
The juiciest apples you ever did see.
The wind came by and gave an angry frown
(Fingers flutter downward)
And one little apple came tumbling down (One finger falls)
Four red apples, hanging in a tree, etc.

This poem can be adapted for children to count from ten red apples down.
Red apples can be cut from flannel or construction paper and used as a flannel activity. Then cut a large green cloud shape for the top of the tree and a brown rectangular shape for the tree trunk.
**Applesauce**

Peel an apple,  
cut it up,  
cook it in a pot.  
When you taste it  
you will find  
it’s applesauce you’ve got!

**Four Little Apples**

Four little apples dancing in a tree, (Let four fingers dance)  
They danced so long that they set themselves free. (Fingers fall)  
They continued to dance as they fell to the ground  
And there by some children these apples were found.  
"Oh! Look at the rosy one! (Hold up one finger)  
"It almost bounced!"

"I’ll take the red one!" (Hold up second finger)  
Another announced.  
The third child laughed as he chose the yellow one.  
(Hold up third finger)  
"I’ll take it to Mother, ’cause she lets me have fun."  
The fourth child put the last one on a tray  
(Put fourth finger in palm of left hand)  
And carefully carried the green apple away.

**Apple Tree**

(Tune: Twinkle Twinkle)  
Apple, apple tree so tall,  
I can hardly wait till fall!  
When your apples I can pick,
Fill my basket, eat them quick.
   Apple, apple tree so tall,
   I can hardly wait till fall!
   Apple, apple tree so fair,
   What do I see growing there!
Green and round and plump and sweet,
Soon they will be good to eat.
   Apple, apple tree so fair,
   What do I see growing there!

Apple Roll Chant

5 little apples in the bowl
1 fell out and started to roll
It bumped the table and hit my feet!
How many apples left to eat?
4 little apples in the bowl...
   3,
   2,
1 little apple in the bowl.

"Whish" went the wind And they all fell on me.

When I found a surprise after I cut it in half.
**Picking Apples**

Pick the apples, put them in your basket,
Pick the apples, put them in your basket,
Pick the apples, put them in your basket,
Way down yonder in the apple orchard.

Apples, apples, juicy and sweet.
Pick them off a tree, buy them at a store,
Apples, apples, WE WANT MORE!

**Apple Magic**

In every single apple lies
A truly magical surprise.
Instead of slicing down, slice through
And watch the star appear for you!

**5 Red Apples**

5 red apples sweet to the core.
1 fell down and then there were four.
4 red apples sitting in a tree.
1 fell down and then there were three.
3 red apples one for you, and you, and you.
1 fell down and then there were two.
2 red apples shining in the sun,
1 fell down and then there were one.
1 red apple left all alone
1 fell down and then there were none.
